

School profile

On the face of earth men come and go but only a few leave their foot prints behind on the sands of time. They are remembered for ever for their heroic deeds.

When winds were adverse and entire state was under the sway of chaos and confusion. All around darkness reigned over. All things had come to a pretty pass. The demon of illiteracy and ignorance had started to haunt the bereaved and those who belonged to down trodden strata of the society. In these strained circumstances the Patrons of “The Faizan” plunged in and launched a movement to fight against these evils which were strengthening their folds/grip over the society. In this campaign they faced many hardships. Their dedication, devotion, sincerity, courage, determination and persistency eventually helped them to emerge victorious. They illuminated the torch of knowledge. Infact mid night oil was being burnt by them to keep the torch aglow and from this period onwards Faizan is disseminating quality education and in this regard has earned a name. The endeavour of this institution is to materialize the expectations of those who are neglected. It has been rightly remarked by an anonymous writer that great things are performed not by strength but by perseverance.

In the suburbs of town Baramulla the Faizan Public School is located. Initially it was imparting education upto class 8th. After registering excellent performance in academics, the school was granted permission to run the higher classes also. The main objective of this institution is to change the hopes into a belief.

While entering into the vicinity of this institution cool wisps greet one. The temperature is moderate. The congenial and conducive atmosphere available here is fit for meditation.

The school is stretched over 8 kanals of land with two mega structures having three stories each. The school is equipped with all latest facilities.

This institution has a big library with a rich collection of quality and rare books on various subjects that cater the needs of the students and besides that science and computer laboratories help students to get abreast with new developments in the field of education. Besides the academics, the students of this institution have proved their mettle in extra curriculum activities also. In any competition they return triumphantly. At present this institution is imparting education to more than 600 students from class Nursery to class 10th. A large number of students are picked and dropped from distant areas of the town through luxurious buses provided by the management. The services of qualified and experienced teachers have been acquired by this institution. Great emphasis is being laid on moral education.

Aims and objectives

The endeavour of Faizan Public School is to impart quality education to aspirant students and drag them out from darkness to light. This institution believes in imparting quality education as per the needs of the time. For achieving this target latest technology in form of computer and internet are frequently used. Great emphasis is being laid to evoke feelings like tolerance, compassion and honesty among the student community. Besides academics extracurricular activities are also encouraged. In order to achieve this goal, the management has devised a policy that aims at:

Aims
